PACKAGING MADE BY ITALIAN CREATIVITY

MEGHAN

GLAMOROUS - DOMINANT - CONTEMPORARY

A new packaging set for nail polish, skincare and make-up with a unique and particular design characterized by curvaceous and harmonious shapes.

BARALAN presents a new line of bottles and accessories for SKINCARE, MAKE UP and NAIL POLISH.

The design of the Meghan packaging line, with its curvaceous and contemporary form, breaks boundaries in the cosmetic packaging industry.

The Meghan line is composed of 30 and 50 ml bottles with various cream pump style options, and four nail polish bottles of 8, 10, 12 and 15 ml with their associated brushes, caps and overcaps.

Meghan is a complete product line with a modern and attractive design.

Every component can be personalized to create unique combinations to suits pecific market requirements.

Baralan International S.p.A.

Baralan, for more than 50 years, synonymous with passion, innovation, quality and efficiency in the cosmetic packaging world, offering a wide range of standard glass and plastic containers for color cosmetics, fragrance and skin care, easily customizable and widely distributed throughout the world.
